

MIDLAND CHAMBER
OF COMMERCE

RESOLUTION IN SUPPORT OF PRIORITY MIDLAND

WHEREAS, the ongoing energy-led economic expansion has placed immense pressure on Midland’s infrastructure, housing, healthcare, education and quality of place; and

WHEREAS, public funding capacity is insufficient to meet current and future needs; and

WHEREAS, community leaders must act collectively to ensure that Midland remains a world-class destination for business and talent, while meeting the needs of all its citizens; and

WHEREAS, Priority Midland will be composed of community leaders from across governmental entities, private foundations and area industries; and

WHEREAS, each governmental entity and community organization has its own unique, well-defined responsibilities and constituencies, and Priority Midland is intended to facilitate cooperation while respecting those obligations; and

WHEREAS, by bringing together the community’s leaders, sharing information and acting collectively, *Priority Midland* will: (1) increase overall funding available for projects, (2) reduce timeframes in which projects are started and completed, and (3) create a roadmap for the future of Midland with a focus on partnership-based solutions; and

WHEREAS, this process will be driven by identifying priority projects, securing funding (public and private), and providing resources and tools to enhance success; and

WHEREAS, transparency, inclusivity, and feedback from all stakeholders is paramount to facilitate decision making going forward.

NOW, THEREFORE, BE IT RESOLVED THAT the Midland Chamber of Commerce hereby supports Priority Midland.

Passed on this the 1st day of February 2019.
