

RESOLUTION

WHEREAS, the ongoing energy-led economic expansion has placed immense pressure on Midland's infrastructure, housing, healthcare, education and quality of place. Public funding capacity is insufficient to meet current and future needs; and

WHEREAS, community leaders must act collectively to ensure that Midland remains a world-class destination for business and talent, while meeting the needs of all its citizens; and

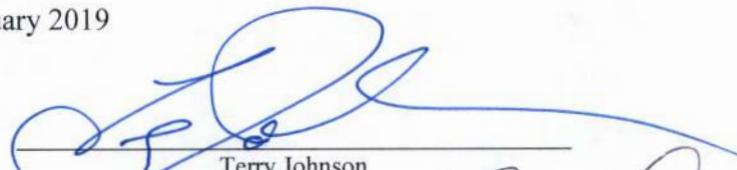

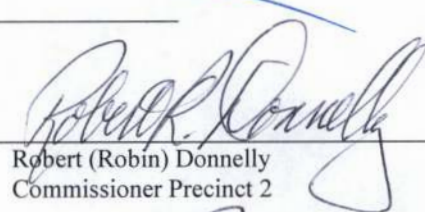

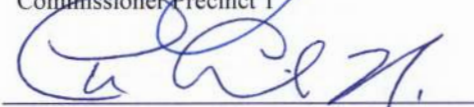

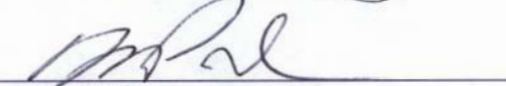

WHEREAS, *Priority Midland* will lead the communication between elected officials and community stakeholders to accelerate funding and drive solutions for our growing community. *Priority Midland* will be composed of community leaders from across governmental entities, private foundations and area industries; and

WHEREAS, by bringing together the community's leaders, sharing information and acting collectively, *Priority Midland* will: (1) increase overall funding available for projects, (2) reduce timeframes in which projects are started and completed, and (3) create a roadmap for the future of Midland with a focus on partnership-based solutions; and

WHEREAS, this process will be driven by identifying priority projects, securing funding (public and private), and providing resources and tools to enhance success. Transparency, inclusivity, and feedback from all stakeholders is paramount to facilitate decision making going forward.

NOW, THEREFORE BE IT RESOLVED, the Midland County Commissioners Court supports *Priority Midland* and authorize participation of County Judge Terry Johnson to represent Midland County and Commissioner Randy Prude be named as an alternate.
